Prepare the songs that will be given to you: *There Will Never Be another You* & *The Girl from Ipanema*. Improvise (not mandatory) on the chord changes of that song (play the head and improvise one or two choruses). The recording (which is uploaded on our website – *downeymusic.net* – under the jazz band tab, has 2 versions of each song – 1st says SPLIT which has the melody played by a Tenor or Trumpet, which is for you to listen for style and play along with while practicing. 2nd says STEREO – that is without the melody, for you to play with the accompaniment only. That version I will play when you audition. The music sheet PDF's for C, Bb, and Eb instruments are also uploaded next to the MP3 recordings.

Play the Chromatic scale and Major Scales up to 4 #’s and b’s (concert)
Rhythm players comp in swing and samba jazz styles (a combo rhythm section will play along with you both songs)
